

Story exchange - ideas

Retell your favourite story in your own words or with a slight twist to it.

What would happen to the story if you just changed one small thing?

Create a story with one of the care home residents as the main character!
Find out what they did when they were younger and use that as your inspiration.

.Use an image and story starter from Pobble 365 (pobble365.com). These are weird and wacky and loads of fun!

Create a 'lockdown' diary – what exciting things did you do each day? Maybe you learnt how to bake a cake or created some artwork?

Retell your favourite story as a comic book!
Download templates from: printablepaper.net/category/comics
Or create your own using just paper and pens.

Create an information book of your local area. Make notes and take photos when you go outside for exercise and turn them into a book when you get home.
